

BIZNOVATOR

CORPORATE PREP

BIZNOVATOR has developed a unique offering in partnership with Corporate Human Resource organizations to enable your company to train and empower the next generation workforce. The **BIZNOVATOR CORPORATE PREP** Program enables your organization to partner with local colleges and universities to establish a robust empowerment program for today's college students. We customize this program to ensure that we engage your employees while also enabling your HR organization to participate in the growth potential of prospective employment candidates and interns in real time. Think of it as an extended interview process whereby the **BIZNOVATOR** participants learn valuable and marketable skillsets that will better prepare them for their future employment while also giving back to the community; all with the active participation from your employees. Our **BIZNOVATOR CORPORATE PREP** Program is completely customizable and can be delivered as a one-time 5-day event or throughout the year.

Participants will learn and experience the following:

- 7 Mindsets / Personal Growth and Development
- Career Readiness
- Leadership
- Team Dynamics through outdoor challenges
- Entrepreneurship/Intrapreneurship & Innovation
- Ideation / Design Thinking / Technology Disruption
- Business Planning (Entrepreneurship and Innovation)
- Executive Engagement - Mentoring and Coaching
- Business Plan Pitch Competition
- Seed Capital
- 6 monthly growth development webinars for all students.
- 6 months of follow up group coaching
- Internship placement services
