

BIZNOVATOR

CORPORATE EIP

BIZNOVATOR CORPORATE EIP is specifically designed to bring value to the “employee family unit” through a unique Employee Incentive Program (EIP). There is no more valuable asset than the human capital that has been developed and nurtured within your company. **BIZNOVATOR** recognizes the challenges that exist within corporations to motivate, maintain and grow their best employees. We understand the need for more programs that are focused on the entire “employee family unit” and how this approach builds strong loyalty and higher employee retention rates.

In addition, we understand that the generation gap between Gen Z, Millennials and Gen X are significant. It is imperative for corporations to become more mindful and committed to developing the next generation workforce at an even younger age while bringing tremendous value to the employee families. Given this backdrop, **BIZNOVATOR** has developed the **BIZNOVATOR EIP** program specifically designed to empower the employee children between ages 8-20. We bring our world class programs to your corporation for young people to become empowered in the principles of entrepreneurship, social innovation and leadership. Our programs are customizable to meet a corporations specific needs and are developed in collaboration with our partners.

BIZNOVATOR has worked with many of the largest brands in the world to deliver value to their enterprises through our innovative programs. Our unique CORPORATE EIP offering focuses on two key areas; Employee Incentive Programs and Community Engagement. With our programs, corporations have the ability to measure social impact as they empower young people, their families and communities around the globe.

Customized Employee Incentive Program focused on the “family unit”. We deliver youth empowerment programs for your employee’s children ages 8-20.
