CAREER READINESS COACHING

*"The only way to do great work is to love what you do. If you haven't found it yet, keep looking. Don't settle. As with all matters of the heart, you'll know when you find it." - Steve Jobs*

87% of High School and College students are self-proclaimed procrastinators. As youth developers, we engage with our students' and guide them on proper career choices and the right development track they'll need to succeed.

With **BIZNOVATOR Career Coaching** students will understand our 5 Action Steps for Career Mapping:

1. Identify Interests and Passions
2. Choose and Focus on Targeted Careers
3. Identify and Understand Pre-Requisites such as; Knowledge, Skills, Education Needed
4. Look at and Forecast Future Opportunities: Earning Potential, Projected Growth
5. Action plan for success - Take Action--Now!

Our one on one and small group session program is designed for high schoolers and college students ranging in ages from 15-24. We focus on building confidence and effectiveness using mindfulness and experiential learning.
